- Part of the 'Macrocarpa' furniture suite. Made to order and can be customised to suit clients requirements.
- Furniture is not supplied with installation instructions, install fastenings or footing details. These are to be specified and determined by the installing contractor for the specific requirements of each site.

• The character of macrocarpa timber is enhanced by its natural rustic finish. This will or may include exposed knots, timber defects and natural cracking. None of these defects will impact on the structural integrity and performance of the product.
